

## **Occupational Health & Safety Policy**

We hereby declare that as part of our Occupational Health & Safety policy we create a healthy and safe working environment under the framework of legal legislation and OHSAS 18001 standard by;

- ✚ training our staff in the area of Occupational Health and Safety and improving their awareness on Occupational Health and Safety,
- ✚ making all relevant parties take all types of safety measures within the framework of OHS legislation,
- ✚ anticipating and preventing the risks of possible accidents and insecure conditions and actions that can cause occupational accidents and diseases in the office and field activities by performing an effective risk assessment,
- ✚ ensuring that providing our visitors comply with OHS obligations and rules,
- ✚ carrying out necessary activities to prevent injuries and health deterioration and to continuously improve OHS management and OHS performance,
- ✚ ensuring continuous development of our OHS system by setting new targets and objectives every year.

**GENERAL MANAGER**
