

QUALITY POLICY

We are committed to;

- ✚ carrying out all our activities by keeping in mind our reliability in the sector in protecting Cultural and Archaeological Heritage and their transfer to future generations following the principles of impartiality, objectivity and confidentiality,
- ✚ continuously developing our business processes in order to increase efficiency and to maintain service standards in compliance with contemporary and international norms,
- ✚ encouraging innovative and creative approaches,
- ✚ improving technical and behavioral competencies of our employees with in-service trainings,
- ✚ carrying out works as a competitive organization complying with code of ethics without compromising our principles,
- ✚ not compromising our principles and responsibilities towards customer satisfaction,
- ✚ completing field activities and reporting processes in accordance with the current projects schedule by reducing time losses in the projects,
- ✚ completely fulfilling legal obligations by acknowledging clients about the liabilities imposed by local regulations,
- ✚ providing orientation to our new employees through simple and easily accessible information and documents,
- ✚ adopting Total Quality Management philosophy as part of our organizational culture.
